## *General Information*

**TIME**—Thursday, June 12, 1947. Sale will start at 1:00 P. M.

**LOCATION**—The sale will be held at the J. A. Kamm farm one half mile east of Atwood, Ill., and one mile south of U. S. Highway 36. Atwood is nine miles west of Tuscola and twenty-seven miles east of Decatur.

**TERMS**—The terms of the sale are cash unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangement. Buyers who are not known to the sale manager will bring bank reference. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

### **STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS' ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase or by the time the bull is twenty months of age if purchased under fourteen months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser; or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

The above Guarantee and Terms shall constitute a contract between consignor and buyer of each lot. Neither the South Central Illinois Shorthorn Breeders' Association, the Sale Manager nor the Clerk of the Sale assumes any liability, legal or otherwise.

Where footnotes appear in this Catalog, they were furnished by the Consignors or written from information supplied by the Consignors.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety of our guests.

(Ribbons furnished by the American Shorthorn Breeders Association)

SHORTHORN STEERS made a clean sweep of the *GRAND AND RESERVE GRAND CHAMPIONSHIPS* over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, ROYAL JUPITER; (right) the Reserve Grand Champion, WYOMING CHALLENGER STANDARD; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*
